About

Road Race Results.com (RRR) is Canada's largest race and events database for all statistics running and race results. It was purchased by MyNextRace.com in spring 2015 and quickly expanded across Canada, with over 6 million results and growing along with 15,000 active members. It's the only website of its kind with uber targeted banner ads for advertisers. www.roadraceresults.com Register for free today and find your name!
